

WEEK 4: JULY 25-29

ST. TIM'S SUMMER CAMP

OUR FINAL END-OF-THE-WEEK NEWSLETTER!

ARIRANG WEEK

Dear Parents and Campers,

That's a wrap - St. Tim's Summer Camp has finally come to an end! Campers and counsellors were left feeling bittersweet and sad for the ending, but were filled with warmth and good memories from the past few weeks. We were so blessed to spend our month together and get to know all the different campers who were so unapologetically themselves. It was truly such a refreshing and unforgettable experience! As we open up a new chapter to our summers and lives, we hope that the campers can hold onto these memories as dearly as each counsellor will. Lastly, thank you to all the parents, for your faithful devotion and trust in our camp! It was lovely being able to spend our July with you and your child(ren). We hope to see you all again next year!

YOUTH CAMP

Although our Youth Camp program was only supposed to run for two weeks, we added a final week for all our campers who couldn't get enough! It was such a blessing to share another week together growing in love, faith, and culture.

This week, YC was able to embrace another part of their identities through exploring Korean culture! A lot of their artistic talents shone in dancing to Korean songs and learning to play Korean drums - which were performed amazingly at our final performance.

In playing various games, visiting Koreatown and calling each other only by their Korean names for the entire week, it was wonderful to see the vibrant life each camper brought to the camp each day. Our YC leaders had a blast, and we hope you did too, campers!

KINDER & KIDS CAMP

St. Tim's Summer Camp welcomes and embraces all people in love and compassion whilst gently preserving the heart of their Korean culture. In celebration of this rich heritage, the campers spent Airang Week readily exploring Korean cuisine, pop culture, traditional folk songs and games - all along with messages of God's love and wisdom led by Pastor James.

Kicking off the final week of camp, the campers passionately engaged in Kpop dance sessions and produced beautiful crafts under the guidance of our talented counsellors. Water fights, swimming pool field trips, and park visits - the kids thoroughly enjoyed soaking up the sun all throughout the week.

For our weekly field trip, we made a visit to Koreatown! Blessed by the caring hearts of the community and absolutely amazing food, both campers and counsellors were left with warm memories and full stomachs.

With laughter and bright smiles, we concluded St. Tim's Summer Camp with a heartfelt end-of-camp performance that showcased the dedication of each and every precious camper and counsellor.

Thank you all for an amazing summer - we hope to see you next year!
