

WEEK 1: JULY 4-8

ST. TIM'S SUMMER CAMP

OUR END-OF-THE-WEEK NEWSLETTER!

WATER WEEK

Dear Parents and Campers,

What a wonderful and fun-filled first week of camp we had! It was a joy spending time with each camper, getting to know every unique individual and seeing their personalities shine through all the activities we did together. The counsellors had a blast and we hope that all the campers made some lasting memories too!

Thank you for entrusting your kids to us. It has been such a joy! Most of your kids are returning next week and/or the following weeks. If you haven't registered your kids yet, you can still do so at www.timothytc.com/camp

MONDAY

To kick off the very first day of St. Tim's Summer Camp, the campers were reminded of one extremely important message: God made all of us with a purpose. We enjoyed learning new songs like "Make Waves", creating fish bowls as unique as ourselves, making "potions" in our object lesson station, and decorating the pavement with chalk drawings! At the end of the day, the campers and counsellors enjoyed a fun-filled time at the playground at West Deane Park.

TUESDAY

On Tuesday, the campers were taught the story of Peter walking on water and how Jesus invited people to follow him. As the story of the day was set on the water, the campers made boats, played around with paper waterstriders and made oobleck. The day ended with a fun viewing of "Finding Dory" and a lesson on sea turtles by our counsellor Sarah!

W E D N E S D A Y

Wednesday began with a story of celebration for the life of Jesus. The campers learned that they can trust Jesus with their lives. They created their very own picture frames for the Water Week, played team building activities like Over Under and, before going home, the kids had a jolly time splashing around in the pool!

T H U R S D A Y

What a perfect day in the sun! We boarded the subway together to go to our first field trip destination: Woodbine Beach. Once we got there, that's where the fun began - the campers and counsellors enjoyed time swimming, built sandcastles, and buried each other in the sand! We all experienced the joy of community and connectedness and our hearts are full seeing the bonds being solidified between our counsellors and campers!

F R I D A Y

To cap off our week, the campers were introduced to a St. Tim's Summer Camp tradition and throwback: the Fruit of the Spirit. Through the famous "Fruit of the Spirit" praise song and bracelet crafts, the kids were taught about how God can help us change the world around us. We ended the week on a happy note as campers and counsellors faced off in a friendly water fight! There was nothing better than hearing the sounds of laughing kids and counsellors, as the campers got their favourite counsellors soaked!

THANK YOU FOR A MEMORABLE WEEK!
